There are no changes, refunds and credits for cancellations made after 1 pm on June 21.

An affordable Child Care Benefit (ACCB) is available for those who qualify from the Ministry of Children and Family Development.

School-Age Summer 2024

Routine

Daily activities and lunch will be posted each week by your child's sign-in book.

Indoor play areas are Room 111 and Room 113. Weekly indoor play has organized and free-play options which include: arts-crafts, books, building, cars, dance, yoga, kitchen, ping-pong, table games and group "think-ology" time to reinforce your child's current English language and math skills.

Outdoor play areas are the school playgrounds and gravel field with sandbox. Weekly active play has organized and free-play options which include using our sport equipment: balls, hula hoops, plasma cars, shovels / buckets and skipping ropes.

New Try-out Activities

Painting & Drawing – led by a professional art instructor. Each age group will have two weekly sessions, each lasting 45 minutes. Participants will explore various artistic basic techniques and themes to ignite creativity and self-expression.

Basketball Fundamentals - led by standout players from both the Churchill secondary school basketball team and the local Basketball Club. Participants will enjoy one session per week, lasting 60 minutes each. The weekly training sessions will include fun games and group competitions, focusing on developing essential skills such as dribbling, shooting, and teamwork, aimed at enhancing both individual abilities and team collaboration.

We believe these two new try-out activities will enrich our summer program and provide valuable learning experiences for all participants.

Field trips will be announced at the beginning of the week to include: walks to neighborhood parks, in our bus or on city transit.

Parents Need

You will need to call our office if your child will not be at the centre by the 10 am sign-in or will be absent for the day or will be signed-out early for an appointment.

Children Need

Your child will need a water bottle; hat for sun and rain protection; comfortable shoes for active play and neighborhood walks; to wear sunscreen – we provide a suitable waterproof lotion; and to wear a Spare Time T-shirt if we are off the DLG property.

Children Do Not Need

Your child should not bring candy, gum, toys, electronic devices or money.
