Spare Time Fun Centre  
March 2007

For children in Uganda  
From children in Canada

Another Spare Time staff and I went to Uganda for three weeks in March and April 2007.  
Two other staff went in 2009.

Staff on both trips travelled with a team of dentists from Richmond, BC.  
We helped at all of the free dental clinics  
but spent most of our time with children at the orphanage where we stayed.

IAM Children's Family is a Christian orphanage  
helping more than 200 children  
in Kampala, Uganda, East Africa.  
Reverend Ponsiano, his wife Susan Lwakatale and their children  
opened their home to neighboring orphans in 1998.

I wrote two books about Uganda for Spare Time children.  
I left four books about Spare Time at the I AM orphanage.
