Out-and-about with Spare Time March 2026

Yara (Discovery), Marcus F (Adventure): slide versus slide
after school versus spring break
outside versus Multipurpose Room 111
permanent playground versus inflatable castle
hard plastic versus soft plastic
under a friend's bridge versus in-between Dora and Diego
feet first versus sideways
sliding all the way versus bouncing and sliding
do-it-again fun versus do-it-again fun.

Riley (Discovery), Amiyah (Voyagers), Abigail (Discovery): wonderful Fieldtrip to Wonderland Kids Indoor Play Center.

Isabella (Adventure): look-and-learn

Is this: (a) count how many candles it takes to burn a paper carousel
(b) see a carousel spin as heated air rises and catches in rotor blades
(c) a make-a-wish and blow-out-candles comparison to birthday cake?
Answer: (b) is an (e)xperiment with carousel art and science.

Chloe (Voyagers), Samaira (Voyagers): see sea
There are 150 Pieces
in this **U**nderwater scene.
Is there a **Z**ebrafish?
Sorry, **Z**ero clues here.
Put it together yourself
if you want to vi**E**w the answer.

Mira (Voyagers): shares art portfolio at Talent Show.
